

Help your NHS get it right!

The NHS in Scotland wants to give you the best possible care and treatment. Let us know if you have a comment or suggestion so we can do things better.

- **Do you have a comment or concern?**

Speak to a member of staff.

- **Want to know how to complain?**

Ask for a copy of the leaflet 'Making a **complaint** about the **NHS**'.

This is available from:

- anywhere you get NHS care
- NHS Helpline on **0800 22 44 88**
- **www.hris.org.uk**
